

CLASSIC DRIVER

Honey, I'm just taking the dog for a walk in the woods...

The chaps from Cool & Vintage in Lisbon certainly know how to advertise a car. Their latest video visualises the merits of the Toyota FJ40 Land Cruiser beautifully - have you ever fantasised about taking the dog for a walk in the woods before?

This Toyota Land Cruiser from [Cool & Vintage](#) can currently be found for sale in [the Classic Driver Market](#). Beautiful brunette and man's best friend not included.
