
This week's highlights from the Classic Driver Market

30 October 2014 | Jan Richter

With Porsche supposedly planning to eradicate the 911 Carrera as we know it, we thought it only right to include a beautiful example of the original 2.7 RS in this week's selection of market highlights...

None of them up your street? There are another 5,000 or so to choose from in the [Classic Driver Market](#).
