## The ideal surfer's support vehicle is... an AJS motorcycle?

### Lead

If you're planning a surfing trip, the chances are that you've factored in a four-wheeled vehicle of some sort. But this AJS motorcycle's unique party trick makes it perfect for the support vehicle role...

This [1961 AJS 18 CS](#) was equipped with a surfboard mount in preparation for [Wheels & Waves 2014](#), and is now for sale via German dealer [Premiummotorrad](#). According to the vendor, it's in good condition and has been fully documented since 1976.
