Jaguar announces Heritage Challenge Series

Lead

As part of its burgeoning Heritage programme, Jaguar has announced the creation of a new single-marque European racing series open to pre-66 models...

Held in partnership with the Historic Sports Car Club (HSCC), Jaguar has launched a new Heritage Racing Series that expands on the scope of the E-type Challenge that has been so successful in recent years. It will be contested over five weekends at some of the most famous circuits in Europe, comprising Donington Park, Silverstone, Brands Hatch, the Nürburgring and Oulton Park.

The new championship is open to pre-66 models split into five categories: XK-series cars; pre-66 saloon models; C-type, D-type and XKSS; and two separate E-type classes. Further details can be found at hsc.org.
