## Oil meets ink at this pop-up motorcycle art expo 21 February 2015 | Joe Breeze

*A new 'pop-up' art exhibition dedicated to motorcycles will begin touring this summer, with the limited-number works by various budding artists all up for sale...*

### **Different brushstrokes for different folk**

The Oil & Ink expo will tour various events and custom workshops in the U.S. between April and October this year, with a stop at the Café Racer festival in Paris scheduled for 20-21 June. The limited-edition works are all available for \$100 each; you can find further details about the expo [here](#).
