Hear the animalistic howl of the Aston Martin Vantage GT12

Lead

We've seen the pictures – and now you can hear the bellow of the 600HP Aston Martin Vantage GT12 as it's released from captivity, and let loose into the wilderness of Silverstone circuit...

Oh, and in case you were wondering what a GT12 is, it's what the [Vantage GT3](#) has become since Porsche threw its toys out of its Panamera. The newly renamed model sits at the top of the Vantage tree, and is limited to 100 examples worldwide.
