## [See all Quentin Tarantino's car scenes in one clip](#)

### Lead

Quentin Tarantino is widely known as the inventor of the 'trunk shot' – a camera angle from within the boot of a car. Cars play an important role in many of his films, but not all end in a bloodbath. This short video clip summarises the most important driving scenes...

Throughout Tarantino's filmography, if not throughout movie history, the 'Quarterpounder with cheese' dialogue between John Travolta and Samuel L. Jackson in Pulp Fiction is one of the most famous car scenes. Cars also play a critical role in Reservoir Dogs, Jackie Brown, and Kill Bill. Here, Tarantino fan Jacob T. Swinney has cut the most famous and beautiful scenes together. Enjoy!
