## Is orange the in-vogue car colour this season?

### **Lead**

Orange has been notably absent from the fashion colour merry-go-round for as long as we care to remember. But why, when the results can be so striking? We've picked 10 tangerine treats currently for sale in the Classic Driver Market...

According to Goethe's circle of colour, orange represents nobility. In psychology, it's known as a mood enhancer, a stimulant, and is connected with lust. In Buddhism, the orange robes worn by monks are said to symbolise the highest state of perfection. So, when selecting your steed for the summer, why not be brave and choose a Ferrari, Bentley or Porsche in the eye-catching shade?
