The organisers of Salon Privé, one of the UK's most prestigious classic, luxury and supercar events, today presented a sneak preview of what's in store for 2015...

Celebrating its 10th anniversary in 2015, Salon Privé opens for the first time at Blenheim Palace on 3-5 September. The preview event saw a total of 10 cars displayed within the Great Court and on the South Lawn – the main event location. Modern-day hypercars from Ferrari, McLaren and Porsche were joined by a range of classic models, including [Bentley Speed Six 'Old Number Three'](#), a [Lamborghini Countach 5000S](#), a [Ferrari 330GTC](#) and a striking, orange [Porsche 904 GTS](#).

Speaking at the preview, His Grace, the 12th Duke of Marlborough, added, "It was wonderful to see so many amazing cars here today at the Salon Privé Media Launch. My family and I are very much looking forward to welcoming Salon Privé to Blenheim Palace in September for its 10th anniversary celebrations and, hopefully, for many years to come."
