
Record results at Auctionata's Ferrari Only sale

29 September 2015 | Jan Baedeker

Auctionata might have been previously best known for affordable classics, but at its recent Ferrari Only sale, the auction house cracked the million euros mark for the first time...

With a broad selection of 27 classic and modern cars offered, Auctionata's dedicated Ferrari Only sale proved successful, led by a 1991 F40 that fetched 1.1m euros - the highest price ever achieved by the auction house. Also significantly above estimate was a Ferrari 512 TR that realised 199,920 euros (inc. buyer's premium), and a 2015 458 Speciale, which made 373,184 euros. Other big hitters were the stunning black 599 GTO (599,760 euros) and the 1977 512 BB (434,264 euros). "The success of our Ferrari Only sale has shown that we have established ourselves in the luxury automotive sector, and reached a new milestone in the history of the company," commented Wolfgang Jochum, from Auctionata's classic car department.
