

CLASSIC DRIVER

[An eclectic offering at Artcurial's last classic car auction of 2015](#)

Lead

Artcurial's final classic car auction of the year takes place on 1 November 2015, and comprises a typically eclectic collection of 71 automobiles, of which we've chosen our 10 favourites...

A quick glance at the catalogue for Artcurial's Automobiles sur les Champs 9 sale is enough to whet the appetite of enthusiasts from across the classic car spectrum. A trio of Ferrari Berlinetta Boxers – a [365 GT4 BB](#), [512 BB](#), and a [512 BBi](#) – will be offered, each resplendent in Rosso, as well as a stunning matching-numbers [365 GTC/4](#), estimated at 320,000-380,000 euros.

At a more affordable price, we love both the adorable [Fiat 500 estate](#) (6,000-8,000 euros), and the left-field [Aston Martin Lagonda prototype](#) (45,000-65,000 euros). Those looking for an historic car in which to compete all year round should consider the ultra-cool [Citroën DS 20 'rallye'](#) (27,000-32,000 euros), while the extremely rare [Maserati Shamal](#) (50,000-70,000 euros) and [BMW Z8](#) (150,000-200,000 euros) should appeal to enthusiasts of more modern classics. You can find the [full catalogue for Artcurial's Automobiles sur les Champs 9 sale](#), taking place in Paris on 1 November, listed in the Classic Driver Market. These are our 10 favourites.
