10 vintage watches to suit any classic Italian car

13 January 2016 | Jan Baedeker

What more do you need in life than a classic Ferrari, Lancia, Alfa Romeo or Maserati? Well, since we can't have 'Lollo', how about a matching timepiece? We've picked 10 stylish watches from the Classic Driver Market, which will not only get you from Turin to Palermo on time, but also in style...
