## [Menswear brand Caruso reminds us of why we love Italy](#)

### Lead

If only all menswear brands could create such charming and beautiful short films as this one, by Caruso. Reminding us of everything we love about Italy, we're positive that the 'The Good Italian II' will fill you with envy...

### The Good Italian

"You have great countries, and you have *the* country," says Giancarlo Giannini's character 'The Prince', referring to Italy in this beautiful short film from menswear brand Caruso. It reminds us why Italy might be the most 'Classic Driver' country of them all - the cars, the food, the architecture, the opera... we're already planning our summer break (by road, of course).
