Chassis number	CS23N8C167747	Condition	Used
		Location	
		Fuel type	Petrol
		Exterior colour	Other

## Description

---

To be OFFERED AT AUCTION at Auctions America's Fort Lauderdale event, April 1-3, 2016.

Chassis No.

CS23N8C167747

Estimate:

\$ 12,000 - \$ 16,000 US

Offered here is a nicely presented and original Chrysler New Yorker Brougham that has seen limited use over the years, just 57,163 miles on the odometer at the time it was catalogued. The mileage is said to have been recorded with previous title work.

This car is powered by a very strong eight-cylinder engine that is backed by a reliable automatic transmission. The paint work is finished in yellow with fender skirts and very nice brightwork; and the interior is finished with tan button-tufted upholstery that is accented with woodgrain adornments throughout the cabin space.

It is loaded with optional equipment that includes twin comfort lounge seats, that show to be in like-new condition, automatic temperature control, air conditioning, tilt steering, cruise control, AM/FM stereo, six-way front power seats, integrated 8-track tape player, power locks and a three-quarter vinyl roof.

This low mileage Chrysler is reported to be 100 percent original and one of the best examples a buyer could hope for.

1978 Chrysler New Yorker Brougham
