Presented here is a spectacular 911 Carrera that is finished in Velvet Red paint (which is believed to have never been modified) with a Brown German canvas top. The motorcar is riding on five-spoke wheels that are wrapped with Pirelli tires. The interior is shown with red leather seats, original red carpets and floor mats.

The Porsche is also fitted with an upgraded dash stereo, air conditioning, factory alarm system, cruise control, black top boot cover with bag; and power steering, brakes and windows. Powering the 911 is a 3,165-cc flat six-cylinder engine that is producing 214-hp. The engine is thoughtfully paired with a five-speed transaxle that is equipped with a short throw shifter.
