Spring forward with Cool & Vintage and a classic Land Rover

Lead

If there's one thing our friends at Cool & Vintage are great at, it's evoking the spirit of a particular car. Take this Land Rover Series 3 pickup, for example – a car that's become more than just a utility vehicle, rather a way of life...

Slow and steady

You take life at a slower pace while driving a Land Rover, according to the Lisbon-based Classic Driver dealer Cool & Vintage, allowing you to see and do more – like tending to your horses on a sunny evening, perhaps? Currently for sale, [this recently restored 1971 Land Rover Series 3 pickup](#) is perfect for such activities, as this gorgeous photoset proves.
