10 cars with which to stand out in Zurich from Oldtimer Gallerie Toffen

Lead

Owing to stringent low speed limits, the residents of Zurich must look for ways other than speed to stand out in their vehicles – we've selected ten cars from the catalogue for Oldtimer Gallerie Toffen's forthcoming Classic Car Auction in Zurich that are more than fit for the job...

Many hats

On 11 June at Dolder Classics in Zurich, Oldtimer Gallerie Toffen will offer 61 cars at its Classic Car Auction, a handful of which would be ideal for the boulevards of Zurich – a place where speed is the devil and taste is abundant. As such, you need a car that stands out, be it for its eye-catching colour, sleek good looks or gargantuan size. We think you'll find just the car for the job in our selection below, from the ultra-sexy [1958 Porsche 356 Speedster](#) (est. 450,000-475,000 CHF) to the distinctly wedged [1974 'Ferrari' Dino 308 GT4](#) (95,000-105,000 CHF) and the bright orange [1991 Venturi 260](#) (45,000-55,000 CHF). You can find the [whole catalogue listed in the Classic Driver Market](#).
