

## Brücke to Warhol - Quittenbaum offers modern art in Munich

13 June 2016

Jan Baedeker

On 23 June in Munich, Quittenbaum will offer 170 pieces of modern and contemporary art, ranging from Brücke and Bauhaus artists to Pop Art of the 1970s...

Of particular note are the four artists' postcards by Erich Heckel, Karl Schmidt-Rottluff and Christian Rohlf, from the estate of Dr. Elsa Hopf. Several renowned museums and institutions have registered their interest, so it will be interesting to see what they garner. There are many other exciting paintings, etchings, photographs and 'readymades' in the catalogue, which [you can find listed in the Classic Driver Market](#).
