[Giorgio Armani designed the Bugatti Chiron's matching weekend bag](#)

Lead

You've secured your order for a Bugatti Chiron – are you now desperately looking for the right luggage? Thanks to a new collaboration between Bugatti and Giorgio Armani, you need look no further...

The Italian fashion brand designs and produces not only timeless travel luggage and high-quality leather goods, but also clothing. The 'Capsule Collection' for Bugatti will be introduced in the autumn/winter collection, and we're curious to see whether it will live up to the father of all hypercars' scarcely believable performance statistics.
