Very original Maserati Mistral 3700 in a beautiful and excellent condition. It is a European version and comes from Sweden. The body is very original, solid and has perfect fits. Completely restored and technically revised a few years ago. The interior is completely original and the first leather and carpet have a fantastic patina. Even equipped with optional headrest and luggage tonneau cover. Performed in the beautiful and also original colour "Celeste Chiaro". The Borrani wire wheels make it really complete. Equipped with its original 'matching numbers' engine, of course certified by Maserati. Technically very well maintained and in a perfect working and driving condition. Overall a very correct and original 3700 coupé.
