### Lead

As the most famous of all the British World War Two aircraft reaches yet another milestone, so Globe-Trotter has chosen to mark the occasion with a range of military-inspired luggage...

### Flying high

To commemorate the 80<sup>th</sup> anniversary of the Spitfire's maiden flight, Globe-Trotter has produced a limited-edition luggage collection with a military twist. Available in three sizes, each suitcase features a camouflage exterior echoing the original markings of the Spitfire and a sky-blue interior lining. As with all of Globe-Trotter products, each is handmade in the United Kingdom using traditional methods – a fitting tribute to the legendary British warbird they celebrate.
