[Are you brave enough to drive your F40 in the snow?](#)

Lead

Although Ferrari designed the FF as the perfect car for a winter road trip, one eccentric Japanese enthusiast was determined to use his F40 for his snowy camping expedition...

Spooling up the slope

We might have recently chosen [10 all-wheel-drive sports cars to see you through the winter](#), but this extraordinary short film from Red Bull proves that, with a set of snow chains, some steely determination and a big tablespoon of bravery, even the most unruly of supercars such as the Ferrari F40 can be used in anger on the snow.
