## Description

This handsome righthand drive example of one of Giugiaro's more recent masterpieces is finished in Metallic Grey, trimmed in luxurious Avorio leather that's teamed with a Black dash and carpets, and rides on refurbished 18 inch seven-spoke alloy wheels. Other cosmetic highlights include Rosso Red-coloured brake calipers and a carbon styling kit. The comprehensive specification includes Cambiocorsa F1-style paddle shift transmission, Maserati Stability Program (MSP), Xenon headlights, carbonfibre steering wheel, electrically-controlled heated/memory front seats, SAT/NAV, alarm, original Maserati tool kit and two sets of keys. The

comprehensive service record fully supports the Maserati's indicated mileage of 47,927 miles and the vendor currently considers the Coupe's Ferrari-based V8 engine and automatic transmission to be `excellent', and the bodywork, paintwork and interior trim to be in `very good' order. The Maserati is now offered complete with its original book pack and service book plus an MOT valid to September 19, and with such an attractive specification is surely amazing value in today's market.
