[Better homes and gardens with Lamborghini and Riva 1920](#)

Lead

It doesn't always need to be about cars — this week, at the Salone del Mobile 2017 in Milan, Lamborghini will be showing a new collection of furniture, designed by Karim Rashid and produced by Riva 1920...

Of course, there will be discussions as to whether sports car brands, such as Lamborghini, actually need their own furniture collection. But, in this case, the result is particularly pleasing, with the furniture projects realised by Riva 1920 for Automobili Lamborghini — a desk, bookshelf, chair, table, and sofa — being characterised by puristic, elegant lines and natural materials, such as walnut and leather. And it's no wonder the collection has turned out so fantastically, as star designer Karim Rashid is responsible for the project. We wonder what the new V10 sports car would look like if drawn from his pen...
