

Meet Davide Parmegiani, one of the world's most important watch dealers

30 April 2017

Lianna Bruhlman

He bought his first watch at 17 — a Rolex GMT Master in steel, at that — became a dealer by the end of the 1980s and then an international advisor for vintage watch investment. Davide Parmegiani proves his merit as the go-to guy for your next horological purchase in this short video...
