Description

We are pleased to offer this stunning 1958 Jaguar XK150 SE 3.4 litre Drophead Coupe in Black with Red Leather interior and a Black roof. This is a 2 owner car which was left in storage by the 1st owner for 45 years. An accompanying Jaguar Heritage Certificate confirms that this car is a matching numbers example. In 2014 the car was sent through an extensive nut and bolt restoration taking 2 years to complete. The result is a truly outstanding example which is ready to be displayed in any concours show.

The car is accompanied with tools and with only 662 drophead coupes made, this overdrive equipped example is one of the most sought after XK150 variants.
