This is a beautiful 1.6 Turbo that has been converted into a Martini Replica.

The car is originally from Greece. It can possibly be supplied with a Dutch licence plate.

It comes with Greek paperwork, so the car can be easily imported.

The car was completely repainted 3 years ago.

The decals were recently replaced.

The car's engine is in good condition.

It drives and shifts perfectly.

It has 5.5 mm Michelin tyres all around.

If sold within the Netherlands, a new Dutch General Periodical Inspection will be included.

This car has been used for shows and is a real eye catcher.

This vehicle can be viewed and picked up in Giekerk, the Netherlands.

Transportation is possible in consultation.
