		Car type	Coupé

Description

Very rare period Phase 1 Groupe N in original condition - inline-four 1297cm3 (95hp / 715Kg) - 5-speed manual transmission

Body style: Coupé, Coupé

Brand: Citroën, Citroën

Transmission: Manual, Manual

Fuel: Petrol, Petrol

Colour: White, White

This vehicle has a standard French registration and a valid MOT. This model is from 1987 which displays 97.000 km and is presented in a white livery on a grey interior.

This vehicle participated in numerous races in the 1980s. Used sparingly these past few years, its record shows nearly 3.000 euros of invoices. The vehicle offers an interesting preparation which is very hard to find in this original condition including:

Crash bar - welded underbody - bucket seats - complete combined N group shock absorbers - Weber 40 carburettor - strengthened clutch - full N group exhaust line

The vehicle runs with very good working mechanics and offers surprising performance. A small service with carburettor adjustment is to be expected. The body is healthy without corrosion with some signs of wear and the specific expenders and spoilers give charm to this special N Group edition. The interior is in good condition with two bucket seats and the original back seat. The vehicle is fitted with new tyres.

This vehicle can be viewed and picked up in Besançon, France.
