

CLASSIC DRIVER

Driving classic cars for good on the Hope Classic Rally

Lead
Now in its third year, the Hope Classic Rally sees some of the world’s finest cars assemble to raise money for vulnerable children living in poverty throughout Africa. This year, Classic Driver will be taking part in this rare mix of motoring and philanthropy, driving change as well as superb cars...

Great cars, great cause

Taking place on 9-10 June, the 2017 Hope Classic Rally will further add to the £500,000 already raised for WeSeeHope in previous years. WeSeeHope transforms the lives of disadvantaged children and their communities, and each year, generous collectors donate their cars to the event all in the name of fundraising, allowing entrants to experience motoring greats while also making a difference. Following a gala dinner and auction, the cars will set off from Mercedes-Benz World at Brooklands for a scenic drive through the stunning English countryside, and this year, Classic Driver will be on the ground and behind the wheel throughout this special event.
