
Travel through time in Fiat's new 500 Anniversario video

16 July 2017 | Lianna Bruhlman

Imagine going down for a mid-afternoon catnap and waking up to find yourself in the same spot, just 50 years in the future. In Fiat's new video to celebrate the 60th anniversary of the 500, that's exactly what happens to a rather dapper looking Adrien Brody...

See you in the future
