## The Evoluzione from road to track with a Ferrari F40

27 August 2017 | Lianna Bruhlman

*The duality of the F40 is highlighted in this high-octane video, which takes its predecessor, a 288 GTO Evoluzione, and two F40s (one LM version) off the congested roads of the city and onto an empty track in the hills, where they're opened up, just as they should be...*
