Description

Transmission: 3 gears, Manual gearbox

Model year: 2020

Registration number: DZ3681

This 1937 vehicle is genuine and has been certified as such by external Citroën Traction specialists. This therefore is not a replica!! All the important and original characteristics are present. She still has her original engine, chassis and bodywork; again this has been independently certified. It has had 5 previous owners. About 9 years ago the car underwent a full restoration of the highest quality. The bodywork has neatly fitting panels that are thin and finished with a good lacquer coating. There are some features used during the restoration that come from later models such as the seating and wheels. A few of the dashboard details have been altered (the clock has not been re-fitted). The car has the original small rear mudguards and the 8 cm wide running boards with all the original fittings. It has been executed in lovely Bordeaux red and black two-tone lacquer, a black linen hood and

gorgeous red leather upholstery. A lovely authentic 1937 Citroën Traction 11 BL convertible
