### Description

---

A truly stunning and elegant motor car, this Rolls Royce Phantom Drop Head Coupe has covered just 20,000 miles from new. The interior is a modern avant-garde reinterpretation of the traditional English gentlemen's clubroom with stylistic influences ranging from minimalism to Art Deco. Perhaps the car's main design showcase is the yachting-inspired wood veneering that wraps around the 8/9ths top portion of the cabin from coach door to coach door and terminating in a crafted convertible tonneau cover, hand-finished in nautical-grade teak wood panelling sandwiched between an interior band of contrasting hardwood and the bare stainless steel motif of the car's upper exterior bodywork.
