Let winter come with these 10 cosy designer apartments

02 October 2017 | Jan Baedeker

The days are getting shorter, and if you wish to survive the winter with your sanity still intact, you should begin the search for shelter from the cold season. We'd gladly stay in these 10 dream apartments until the next ice age...

It's no secret that stylish apartments in perfect urban locations have boasted financial performance akin to that of classic sports cars in recent years, but while your Porsche 911 will grow tiresome come winter, these apartments will only get better...

10 winter-ready designer apartments
