

CLASSIC DRIVER

[These 10 future classics were made to storm the Autobahn](#)

Lead

France has its 'savoir vivre', Italy is famous for 'la dolce vita', and Germany — well, it has the Autobahn. These 10 legends of the left lane prove once again that what the Germans cherish most in this world is a big, comfortable car, at full speed, flying down a concrete straight...

These 10 Autobahn icons won't stop for anything or anyone
