On 30 January, in Birmingham, England, Fellows will hold its first collectors' watch auction of 2018, offering a diverse selection of timepieces. These are our 10 favourites...

Spearheading The Watch Sale from Fellows, poised to take place on 30 January, is [an extremely rare Panerai Radiomir military diver's watch](#) acquired from a World War II German soldier in Holland in 1944. Accompanied by a hand-written account from the British serviceman who retrieved it, the Panerai is expected to fetch 30,000–40,000 GBP when it crosses the block. Other more affordable timepieces that caught our eye include an ['Ed White' Omega Speedmaster](#) (est. 7,000–9,000 GBP), a [Rolex GMT-Master II](#) (3,000–4,000 GBP), and a [Heuer Autavia](#) (3,800–5,800 GBP). You can find our 10 favourites from the sale below or, alternatively, browse [a generous sample from the catalogue in the Classic Driver Market](#).
