
10 cars you could buy if you had invested 20,000 euros in Bitcoins in 2015

22 January 2018 | Jan Baedeker

We don't mean to cause you any pain — but — had you invested just 20.000 euros in Bitcoins in January 2015, you would now have around one million euros in your bank account and could easily afford one of these collector cars from the Classic Driver Market...
