These retro watches from the 1970s don't cost a fortune...

01 April 2018 | Alex Easthope

Why follow the crowd and buy a new Tag Heuer Carrera, Rolex Submariner, or an Omega Speedmaster, when you can stand out with one of these fun, colourful, and quirky vintage timepieces from the most evocative of decades: the 1970s? You'll be pleased to hear that none costs the earth, either...

10 affordable 1970s watches from the Classic Driver Market
