### Description

Aston Martin DB7 Coupe Automatic

A fantastic and possibly unique opportunity to acquire an 'original', 'one owner', 'complete history' six cylinder DB7. Far from the usual DB7 and definitely one for the future, with full provenance.

Finished in Aston Martin Chiltern Green Mica Metallic with standard split duo tone Forest and

Parchment leather trim, burr walnut veneers, green carpets and Parchment Alcantara headlining.

Released from manufacture 23rd June 1995 fitted with the then "only" option available for the car, "a ten disc Sony CD Autochanger" that was £700.00 plus VAT. Then registered and delivered to its one and only owner, on 1st August 1995 on an 'N' suffix.

Having been loved and cherished as one of a small number of vehicles belonging to its only owner, this car has now covered just 9074 genuine miles in total. Despite sparing use this car has still been serviced and MOT'd every year of its life.

Car is complete with original over-mats, full tool kit, handbooks, user guide, keys etc. All paperwork from original order in 1993 through to purchase in invoice in August 1995, including letters relating to period and colour choices, etc. Fully stamped service book containing twenty-three stamps, the most recent being December 2017 at 8976 miles. Corresponding paper invoices for each service, copy of all MOT test certificates since the car's first one in July 1998. Also various tax discs, letters, DVLA reminders, etc.

A very special car, that needs to be kept in the manner it has always been accustomed to.
