Next weekend, on 21 April, Swiss auction house Oldtimer Galerie Toffen will sell over 89 classic cars and motorcycles in its hometown of Toffen. These are our favourite four-wheeled features from the sale...

Oldtimer Galerie Toffen's latest auction on 21 April in Toffen, Switzerland, offers a nice mix of modern classics — such as this pair of Porches, a [1990 Porsche 924 S](#) (5,500–6,500 CHF) and a [1984 Porsche 944](#) (12,000–14,000 CHF) — and limited-production classics — including a [1974 Alfa Romeo 1600 Spider](#) built by Körbler (32,000–35,000 CHF) and a [1972 Fiat 850 Lombardi Grand Prix](#) (32,000–36,000 CHF). There's also a few quirky and opinion-polarising gems — our favourite would be the [1989 Lancia Thema](#) (16,000–18,000 CHF), which is a similar example, although not previously owned by Rowan Atkinson, to the one that Silverstone Auctions sold for just under £30,000. You can find our 10 highlights from the sale listed below or, alternatively, [browse the entire catalogue in the Classic Driver Market](#).
