[Our 10 highlights from Phillips' seventh Geneva Watch Auction](#)

Lead

On 12–13 May, Phillips will hold its seventh Geneva Watch Auction at the La Réserve Hotel, and as you'd expect, it's curated a stunning catalogue of 180 timepieces, ranging from unique and highly complicated Patek Philippes to lesser-known 1970s chronographs priced below 10,000 CHF...

Held on the same weekend as its Daytona Ultimatum sale, which [we previewed with specialist Arthur Touchot earlier this week](#), Phillips' Geneva Watch Auction: Seven follows in equally spectacular fashion with 180 timepieces catering to every taste and budget. Whether you're in the market for a unique Patek Philippe Grand Complication, a Tiffany dial Rolex Daytona, an original Omega Speedmaster, or a beautifully patinated Heuer Autavia, Phillips has you covered. Narrowing down our 10 favourites was particularly tricky with this sale, but after much debate, they can be seen below. Alternatively, [browse the entire catalogue in the Classic Driver Market](#). Happy bidding!
