The Porsche 993 RS in our sale is a Touring version built in 1995. Its Indian red coachwork is complemented by duo-tone grey and black leather upholstery. Despite having covered 260 000 kms, she is in excellent condition. She has air-conditioning, a GT2 steering wheel, a circuit breaker and 4 Speedline wheels. Having been delivered new in Wiesbaden in Germany on April 25th 1996, she was imported into France in 2005. As her service records and file of invoices attest, she has been

regularly maintained by Porsche concessionaires or specialists. In 2006, when the odometer read 191 000 kms, the Survirage garage completely overhauled the engine, the work including fitting new pistons and two new cylinder heads. In 2009, at around 240 000 kms, the whole of the braking system was overhauled. Lastly, in 2010, at 251 000 kms, an entire new ignition system was fitted. The car is now very mechanically sound and its road behaviour is well-balanced and correct. Offered with a very attractive estimated hammer price, this 993 RS represents a rare opportunity to acquire a Porsche classic with exceptionally high performance.

This car will be sold during the auction car sale organized by Claude AGUTTES Auction, which will take place in Lyon, France, on 1st July 2018.
