Description

Guide price: £250 - £350. <p>Scratch-built to an exacting standard and measuring 90cm, this imposing model features Honduras Heartwood Mahogany, similar to that used by the real boat builders, which has been expertly painted and varnished to a fine finish. The real thing was sold at auction in March 2013 and realised £765,000 - this is a rather more cost-effective option. In 'as new' condition.</p>
