Here we have a very collectable and rare late 1960's Z50A Mini-Trail (non-battery) model. It was originally a UK-supplied example, which has recently been fully restored by a Monkey Bike enthusiast in tribute to Sir Stirling Moss' famous 1955 Mille Miglia win. It's finished in the iconic 722 racing colours of silver & red and, unlike any other example out there, this particular bike has been signed by Sir Stirling Moss OBE. It is ideal for that man-cave or garage as a piece of unique automobilia, or alternatively for using around an estate or race paddock. A special thing in its own right, but having been signed by a legend, it is simply not to be missed.

(\*the bike pictured is for reference only\* - and is a similar model done as a 'Sir Stirling Moss OBE & Rob Walker Tribute')
