Guide price: £90000 - £105000. 

- One of 50 UK delivered matching numbers car
- Superb history file (3 ring binders)
- Current ownership since 1981
- Original backpack and stamped service book

Last owner since 1981 and the V5C is showing two former keepers. 2.4S Targas were only made for the 1973 model year making them an extremely rare find especially one from such long-term ownership. The car has covered 124,000 miles and the speedo is currently showing 24,926. Finished in Silver with contrasting blue check interior and with period Fuch's alloy wheels the little Porsche still looks smart.

It comes complete with tool roll and tools, and the original Porsche book pack with Owners Manual and stamped Service Book. In the history file is a letter from Porsche Club GB confirming the specification of the car, colours and interior correct and the fact it was delivered new to AFN in March 1973. A letter from Porsche GB also confirms that chassis number 9113310591 was manufactured in Germany in February 1973 to UK specification.
