---

Price	<b>USD 6 914</b> EUR 5 900 (listed)	Condition	Used
Year of manufacture	1976	Location	
		Motorcycle type	Street
		Colour	Other

### Description

---

It would not be inaccurate to state that the progenitor of the superbikes of the 1970s was this four-cylinder model, the Honda CB 750 Super Sport. This incredible bike featured an air-cooled engine and an in-line overhead camshaft. The snappy lines and aerodynamics round off one of the most powerful and successful motorbikes of the 1970s. The CB 750 SS is a member of the AMA Motorcycle Hall of Fame Classic Bikes.
