“70ty years old and it doesn’t matter”

70 years ago the Jaguar XK 120 Super Sport Two Seater, later known as O.T.S., made its first debut at the London Motor Show, this immediately lighted up the dreams of fans and soon became one of the most beautiful sports cars of all time.

In America it had an immediately sales success and it became the car of Hollywood’s beautiful people.

Clark Gable, Erron Flynn, Elizabeth Taylor, Robert Montgomery, are only some of those who drove the XK120 along the Beverly Hills’s streets.

They weren’t the only enthusiast, in fact soon it became the jewel of famous car’s drivers who brought the Jaguar “to enlist” in the most important competitions in the USA.

This model had been restored and it’s ready to be sold in our showroom.
