Drivetrain	2wd		
Lot number	40		

### Description

---

For sale in our upcoming auction on September 16th at the Montreux Palace, exhibition on the Montreux Palace garden, from September 13 to 16. The presented vehicle is a MG A in 1962, in 1600 cc MkII version.

This vehicle was bought by its current owner in October 1989 and will thus have spent about 30 years in the hands of this passionate collector. After a long immobilization 10 years ago, its owner wished to hand the vehicle on the way. He made an important service and restored many esthetic details, such as various cracked joints or a little old inside the door. In a red livery, and black leather trim, this MG has just found all its elegance and will be presented functional during the sale.

Always very well maintained before its immobilization, its delivery in function was simple, without works.

Proposed in the sale because of the age of its owner, our MGA waits only to be able to come-back on the road. More details of the car and registration for online or telephone bid here : [www.galartis.ch](http://www.galartis.ch) / +41 21 695 25 25
