Description

For sale in our upcoming auction on September 16th at the Montreux Palace, exhibition on the Montreux Palace garden, from September 13 to 16. The model is a 500 in Lusso version, presented in a very beautiful and rare Rosso Corallo tint, with a black inside.

The paint and the seats reflect a light patina due to its age. No pronounced modification would alter its look. Being a L version, the dashboard is covered and has no more the visible body. The latter does not present wear nor tear, and its carpet is also in beautiful condition. During our expertise, the vehicle started immediately. The use of Chok was not even necessary to throw the bicylinder, which turns circle immediately. The clutch, revised recently, engage ratios smoothly. The whole body and frame are healthy. They do not present a track of corrosion. The seats remain comfortable and soft, as we can expect it on a L model.

The 500 offers in a very desirable presentation and suffers little from the ravages of time, as shown by her functioning without defect and the quality of her condition. More details of the car and registration for online or telephone bid here : www.galartis.ch / +41 21 695 25 25
