## Description

---

For sale in our upcoming auction on September 16th at the Montreux Palace, exhibition on the Montreux Palace garden, from September 13 to 16. This model is an American version of 124 Spider, proposed in Azzura version. It is one of the last Spiders produced by Pininfarina. This model has been imported in Switzerland a few years ago, and offered to its current owner years of enjoyable trips in the country. Professional mechanic and collector, the owner did himself the maintenance, guaranteeing a very pleasant use.

A very beautiful patina recovers its seats and the whole vehicle. Its painting is in good condition. Its passenger compartment is welcoming, by showing the age of the vehicle and by remaining very comfortable. Proof of an excellent maintenance, this Fiat shows 113 ' 000 miles, that is near 180 ' 000 kilometers.

In spite of such a mileage, the vehicle starts immediately, and runs without any problem. Its distribution has been changed. All the braking systems, the box, and the overall mechanics had been verified regularly. The compression engine are good and evidence of the smooth running.

With a light patina for such a mileage, this 124 Spider proposes an undeniable experience of driving ? a pleasure, for a very attractive price? ! Last but not least, this version has an electronic injection,

avoiding the difficulties of carburetors regulation. This is a vehicle of a certain mileage, but its mechanics was very well-kept. More details of the car and registration for online or telephone bid here : [www.galartis.ch](http://www.galartis.ch) / +41 21 695 25 25
